What: Phonics information event

When: Friday 6th October

Time: 15:00 – 15:45

Where: HT Training room (please enter through main school entrance)

Dear Parents and Carers,

During this workshop, we will be sharing with you the expectations for the **phonics screening test** which the children will be sitting in June. Those who attend will be introduced to the way in which phonics is taught at school and will be given advice on how to support children with phonics and reading at home. Sample materials will be available to view and any questions you may have can be answered. Refreshments will be available.

The information provided at this session is very important to the success of your child's reading development. If you are unable to attend, please speak with your child's teacher to arrange for another time to meet.

There will be a crèche available for children during the meeting should you need it.

We look forward to seeing you there!

Thank you for your on-going support,

Charlotte Collins

Literacy Lead
